If you attended Summer Camp this year, you will not need to fill out another health history as we have your form on file. If your child did not attend 2009 Summer Camp, a health history form is required. We are attaching the health history (only if needed), complete it, sign in ink and mail it to the address below or if close to December 19 bring it with you. If there have been any medical changes we need to be aware of, please update your form when arriving. No camper will remain at camp without a signed health history. Please do not fax the health history. We must have the original on file. All medication must be in the original container. Horseback riding will not be available as we are replacing the barns. If you have additional questions, please call at 1-800-423-0427.

Teens: If Mad River Mountain Ski Resort does not open the tubing hill due to lack of snow, pre-registered teens will be taken off-site (in Bellefontaine) for bowling and pizza! Parents will receive a refund for any fee difference.
