

We build strong kids, strong families, strong communities.

**Thank you for choosing the YMCA for your child's day camp experience.**

Enclosed is the paperwork that needs to be completed and returned as soon as possible to the North YMCA Branch.

Depending on your choice of camp, the registration packets will vary. There is a checklist enclosed for each different type of camp for which your child has been registered.

- We do require **2 alternate local emergency contacts at separate addresses** other than the parents.
- We need the phone numbers and addresses of both the doctor and dentist.
- Summer camp health forms are different from the Y-Club after school program health forms. If you recently completed forms for fall registration for after school care **we still need a separate set for summer camp.**
- If the forms **are not filled out completely**, we will call you to have you come in and complete them.
- They must be returned **no later than 14 days before** your child's first day of camp.
- We require immunizations only if the camper does not attend an Ohio school.
- If there is medication involved a **Request for Administration of Medication form JFS 01217** must be completed. If there is no medication involved you do not need to complete this form. Sunscreen falls within this form. If you want your child to apply sunscreen at camp this form must be completed.
- If a section does not apply to your child, please indicate N/A in that area so we know you saw it.
- You must read and sign the Statement of Understanding and the Confirmation on the last pages.
- The Permission for Adventure Education Activities does not apply to Josephinum Day & Specialty Camp, Lewis Center, St. Anthony or North Sports camps – **it does apply to the Teen Xtreme camps only.**
- If transportation applies to your camp, please complete the transportation form even if you are dropping off and picking up your child at the camp. **We need to know where your child should go at the end of the day.**

Please call the Camp Office at (614) 885-4252 if you have questions regarding the attached forms or their due date.
