Adventure Experience

Team building
Self-discovery
Goal setting
Self-confidence

You determine your goals and our skilled facilitators lead you to test your limits both on the ground and in the air. Discover how the skills you learn in the Adventure Experience can be applied to help you be successful every day.

Climbing Wall Ages 6 and up

Minimum 2 hour program

Tackle three different challenge levels as you scale the 35-foot wall. The Climbing Wall showcases each person and his/her abilities, as he/she receives support from fellow group members.

Initiatives Ages 8 and up

Minimum group size: 10

Discover hidden leadership skills, learn communication strategies and define goals in this ground-level challenge course. Group members solve problems and overcome obstacles as a team, using both physical and mental energy. Customize Initiatives to fit your groups' abilities and goals.

Double Zip Line Ages 9 and up

Fly through the air down a 300 foot cable! The Double Zip Line is an exciting highlight to your group's day of discovery— You can even race down the zip line with a friend.

High Ropes Course Ages 12 and up

Minimum 3½ hour program

Discover and overcome fears, support one another, surprise yourselves and quite possibly take on a new role within your group—25 feet above the ground! Our challenges can be done with a partner or on one's own. Everyone can participate at the same time in groups of up to 15 people.

Environmental Education

What's the difference between a reptile and an amphibian?
An insect and an arachnid?
What's so wild about wild flowers?

At Hoover Y-Park, use all of your senses to answer these and other fascinating questions about the natural world around you. Choose from a variety of hands-on activities such as "Pollution Solution," "Water Wonders," "Incredible Insects" and more. Our workshops have been developed to support your curriculum. Groups of all sizes, from preschool through High School, will benefit from these activities. Call us to arrange a field trip for your class, or to have us bring the natural wonders of Hoover Y-Park to your school!
