YGROUP EXERCISE™

We build strong kids, strong families, strong communities.

Grove City YMCA – 614-871-9622

Kionta Carter, karter@ymcacolumbus.org

Boot Camp*** – Push ups, lunges, squats, and sprints are just a few of the activities in this high intensity interval workout that uses a variety of props (Physioballs, bands, free weights) and gets outside for running, weather permitting. A moderately active fitness level is recommended.

BOSU Combo/*****-BOSU is a piece of equipment that integrates balance and stabilization with exercises that challenge the cardio system, muscle strength and endurance or flexibility. BOSU is the most versatile and complete training device you will ever encounter. **\$ fee based class**

Cardio Combo** – An always new combination of high or low impact aerobics, step, muscle conditioning, and stretching.

Circuit Training** – This cross training aerobic class alternates between cardiovascular and muscle conditioning exercises to create a great workout. A great workout for those that want a less choreographed work-out.

HI/LO**— This class incorporates high and low intensity aerobics with strength training exercises for a complete cardiovascular and strength training workout. Perfect class if you are new to group exercise classes.

Kickboxing/***** – This class utilizes the movements of boxing and martial arts, including punching, kicking, and jumping in a non-contact cardiovascular program followed by a muscle conditioning segment.

Pilates */** - Our Pilates classes are designed for all fitness levels. Various types of moves and exercises will work to strengthen your core and improve your posture. Participants are encouraged to bring their own mat and towel.

SilverSneakers® Cardio Circuit */** - Combine fun with fitness to increase your cardiovascular and muscular endurance power with a standing circuit workout. Upper body strength work with hand-held weights, elastic tubing with handles and a ball is alternated with non-impact aerobic choreography. A chair is offered for support, stretching and relaxation exercises.

SilverSneakers® Muscular Strength & Range of Movement* – Have fun and move to the music through a variety of exercises designed to increase muscular strength, range of movement, and activity for daily living skills. Hand-held weights, elastic tubing with handles, and a ball are offered for resistance, and a chair is used for seated and/or standing support.

SilverSneakers® YogaStretch *— YogaStretch will move your whole body through a complete series of seated and standing yoga poses. Chair support is offered to safely perform a variety of postures designed to increase flexibility, balance and range of movement. Restorative breathing exercises and a final relaxation will promote stress reduction and mental clarity

Step/***** - This class will give you a great cardio workout using a variety of step combinations.

Step Challenge **/*** - Power moves are combined with challenging patterns for this high intensity class

Step & Sculpt/***** – This class starts with a great warm up that works its way up to an upbeat workout using the step bench and other cardiovascular activities, while also providing a muscle strength and conditioning workout using a variety of equipment including weights, balls, tubes, and bands.

Strength & Tone*/**— Maximize your potential with this total body strength training workout. Class will utilize various types of equipment (bands, tubes, balls, weights, etc.) for a complete, full body workout that will help participants improve strength and tone.

Tai Chi* - The ancient art of Tai Chi uses gentle flowing movements to reduce the stress of today's busy lifestyles and improve health. **\$Fee based class**

Total Body/***** - This class will give you an entire body workout using a variety of equipment including weights, balls, tubes, bands, and your bodies own resistance.

Triple Challenge/***** - A combination of resistance training techniques with floor and step cardio.

Y Cycling*** – Whether you are a beginner to cycling or an advanced rider, this 45 minute cycling class will give a great spin to your workouts as our instructors lead you through a safe and invigorating cycling experience. Class size is limited to 11 participants.

Y Cycling Combo ** - This energized cycling class will give you a great workout while incorporate upper body exercises.

Yoga I*/**- A great introduction to basic yoga, Yoga I offers participants time to center the self, stretch and strengthen the body, and quiet the mind. Strength training, cardiovascular conditioning, and flexibility are combined using traditional yoga movements and postures. Yoga I is recommended before taking Yoga II. **\$ fee based class**

Yoga II/***** - Yoga II provides a unique combination of strong, flowing movements and dynamic breathing creating a high energy workout. Movements will flow into one another, building strength, cardiovascular fitness, and flexibility. Prior yoga experience is strongly recommended. **\$ fee based class**

Zumba! ** – Zumba utilizes the principles of fitness interval training and resistance training to maximize caloric output, fat burning, and total body toning. It is a mixture of body sculpting movements with easy to follow dace steps. **\$ fee based class**
