This clinic will be taught and evaluated by two Certified Clinic Instructors. A participant may be certified at any level in both Western and English riding. Participants will teach 40 hours of both mounted and ground lessons and will be evaluated on their riding ability as well as take a written test. At the end of the week the participant will be awarded a certification level based on riding skills and the ability to teach their horsemanship knowledge in a safe, fun, and educational manner. For more info about CHA & clinics in general, visit: <http://www.cha-ahse.org>

Our location is in west central, Ohio. We are an hour and 45 minutes from Columbus and Dayton both of which have major airports.

The Certified Horsemanship Association has been around for more than 30 years, and has certified instructors all over the country. It is a member based group under the leadership of a board of directors elected by that membership.
