

Information for the 2008-2009 School Year
(This is for next school year.)

December 2007

Dear Outdoor Education Coordinator,

Hello and Happy Holidays. Now is the time to plan the **2008-2009** Outdoor Education season. Enclosed you will find the reservation material. The forms are also available on line at www.ymcacampwillson.org.

Please return the *Request Form* to us by **March 7, 2008**. Check your school calendar for other scheduled events. Remember that we rotate schools through the seasons so all have the opportunity to receive choice dates. In fairness, list a variety of dates to assist in the scheduling process. *Please list more than one date for each season.*

If you are recruiting a new school to our facility, please forward this information. Remember, you receive a **\$200 discount** on your next Willson invoice after that school attends.

In 2008, Willson will commemorate its **90th anniversary**. Please check the web-site for more information concerning the celebration.

If you are looking for an added challenge for older students, remember that seventh grade and up can participate on our high ropes course. Contact us for more information.

We look forward to another year of serving your outdoor education needs. Enjoy a safe year, and we will see you again soon.

Sincerely,

Kori Keck
YMCA Willson
Outdoor Education Director
