

Information for the 2010-2011 School Year

(This is for next school year.)

January 11, 2010

Dear Outdoor Education Coordinator,

Welcome to 2010! As we break out the new calendars in the Outdoor Education office, we realize that the 2010-2011 school year is just around the corner. This also means that all of the updated forms are available for you to look at, please visit www.ymcacampwillson.org to check them out.

We are asking that the *Reservation Request Form* is returned by **February 26th, 2010**. (Remember to check your school and community calendars for other scheduled events.) In fairness to all of our schools wanting to attend, please list a variety of dates to assist in our scheduling process - remembering that we rotate schools through the seasons (please list at least three dates for each season). If you need more time, please contact us!

We also want to remind you of our "Recruitment" Discount for the school year. If you are recruiting a new school to our facility, please pass along our information. Then, after that school attends, you will receive a **\$200 discount** on your next Willson invoice. Just make sure the recruited school mentions your name when they register!

There are also other exciting activities going on at camp this year. We have a new barn facility at BarW Ranch where our Horse Sense and Trail Ride classes will be held - so make sure to sign up for a great experience. We are also updating our Camp Willson Blog <http://ymcacampwillson.wordpress.com> as well as our Facebook page (search YMCA Camp Willson) with all the news and happenings, so please take a look and spread the word!

As always, we are looking forward to working with you to provide a great camping experience for you, your students and adults. Happy planning!

Sincerely,

Kori Keck
Outdoor Education Director
